

Crash Course for New Dads

The fatherhood basics have never been this guy-friendly

Designed for guys who want to wrap their minds around becoming a father, Crash Course for New Dads is a necessity for any father-to-be or new dad. Short, simple and packed full of information that men really use, Crash Course for New Dads is the collected knowledge of over 200,000 fathers—the real experts on becoming a father.

Get answers on:

- What do men bring to caring for children?
- What do I need to know about finances?
- What's going on with my wife?
- How do I balance work & family?
- How do I stop my baby's crying?
- What's going on with sex?

Comes with the tear-out childbirth coaching guide that walks you through helping your partner during the birth and delivery.

"This book was great because it was designed for men. The other books were either for moms, or too medical."

"I read the book in no time, but I go back to the lists and cheat sheets over and over. The format just works."

"The best part of the book was the testimonials and quotes."
